Meeting national curriculum requirements for swimming and water safety	Please complete all of the following:
What percentage of last year's Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	32% - it should be noted that these children missed two years of swimming sessions through Covid restrictions.
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	28%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	No data as this was not part of the swimming provision – we focused on as many children as possible meeting the 25m mark.
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes – most children were not meeting the standard due to restrictions so all swimming sessions allocated to Y6 children, including boosters in Summer term.
