AHHH! I got Seeked up by a storm my cloud. Where was I!

When I woke up, I Felt something strange. Errr What is that dirty Smell?

I decided to go See what that was.

It was a hot boiling campfire. There wasn't ne brick houses or any Shops. All there was was tents made from animal bones and woolly sticks.

One grey morning I went hunting for a Woolly mammoth.

AHHH! Help. A grey mammoth pinned me down to the concrete floor.

~~Suddenly~~ Suddenly I climbed up the hairy, boneless trunk. It felt like a teddy bear.

~~Suddenly~~ pooth there was a streak of lightning. Ouch! Then I was back with my old green football. The End
