"Leigha are you ready?" asked Fred. "Yes lets go now," replied Leigha. They went to space in a fancy limo. It was Fred's first time. They were going so fast he soon fainted, so Leigha had to do this herself which was going to be hard to do because she was only 17 years old. Fred was 17 as well. "Hello. As quick as a flash, Leigha ran to the limo but the green angry alien made Leigha freeze in the air. "Let me go!" shouted Leigha. Leigha had to go back she wouldn't let anyone take control of her so she tried to fight the force. Until she got out. She got out. Leigha quickly ran to the empty limo.
