

<p><b>This week's theme is....</b></p>	<p><b>Minibeasts</b></p> 
<p><b>9.00</b></p>  <p><b>PE with Joe Wicks</b></p>	<p><a href="https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ">https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ</a></p>
<p><b>9.30</b></p>  <p><b>Drink and snack</b></p>	<p>It's important to drink lots of water to keep us healthy, especially after exercise. Have a glass of water and if you're hungry why not try a piece of fruit.</p> <p>Maybe you could try a different piece of fruit each day?</p>
<p>The following activities can be completed in any order but we recommend before lunch and with a short break between each one. We have identified how much time should be spent on each activity?</p>	
<p><b>10 minutes</b></p>  <p><b>Daily Reading</b></p>	<p>Read <i>The Very Hungry Caterpillar</i> by Eric Carle  <a href="https://www.youtube.com/watch?v=btFctMhF3il">https://www.youtube.com/watch?v=btFctMhF3il</a>                  Can you talk about your favourite part of the story?</p>  <p>What has the tiny caterpillar hatched from?                  The caterpillar enjoys munching through leaves. What else do caterpillars eat?                  What happens to the caterpillar as it eats more food?                  How does a caterpillar make a cocoon?                  What does the caterpillar do inside the cocoon?                  Does a caterpillar come out of the cocoon?                  What does come out?                  What is special about a butterfly's wings?</p>
<p><b>5 mins</b></p>  <p><b>Brain Break</b></p>	<p>Singing time.</p> <p><b>There's a Tiny Caterpillar on a Leaf</b>  <a href="https://www.youtube.com/watch?v=A-zQ82yN68I">https://www.youtube.com/watch?v=A-zQ82yN68I</a></p> <p>There's a tiny caterpillar on a leaf - wiggle, wiggle                  There's a tiny caterpillar on a leaf - wiggle, wiggle                  There's a tiny caterpillar                  A tiny caterpillar                  There's a tiny caterpillar on a leaf - wiggle, wiggle</p>

	<p>She will eat the leaves around her till she's full - munch, munch          She will eat the leaves around her till she's full - munch, munch          She will eat the leaves around          Eat the leaves around her          She will eat the leaves around her till she's full - munch, munch</p> <p>A cocoon is what she's spinning for her home - spin, spin          A cocoon is what she's spinning for her home - spin, spin          A cocoon is what she's spinning          A cocoon is what she's spinning          A cocoon is what she's spinning for her home - spin, spin</p> <p>Then she'll be a butterfly and fly away - flap, flap          Then she'll be a butterfly and fly away - flap, flap          Then she'll be a butterfly          She'll be a butterfly          And she'll be a butterfly and fly away - flap, flap</p> <p>So this tiny caterpillar went like this:          wiggle, wiggle, munch, munch, spin, spin, flap, flap          So this tiny caterpillar went like this:          wiggle, wiggle, munch, munch, spin, spin, flap, flap          So this tiny caterpillar went          This tiny caterpillar          So this tiny caterpillar went like this:          wiggle, wiggle, munch, munch, spin, spin, flap, flap</p>
<p><b>10 minutes</b></p>  <p><b>Daily Writing</b></p>	<p>Use paper towel tubes to stamp/paint your own caterpillar.</p> 
<p><b>5 mins</b></p>  <p><b>Brain Break</b></p>	<p>Have a walk outside even if it's just around the block. The fresh air will do you good and help you refocus for the maths activity up next!</p>
<p><b>10 minutes</b></p>	<p>Can you count how many pieces the caterpillar has on its body?</p>

Daily Maths

Lunch

**Staying clean and healthy.**

Remember to wash your hands!

Can your child help you prepare lunch today?

Story Time with School

At school, the children have at least one daily story. We want to keep this going so please share today's story with your child or children.

Click on the link to youtube and find –

**Monday – Mad About Minibeasts by Giles Andreae**

Little ones will love joining in with all the noisy sound words and looking at the colourful pictures, as they discover all sorts of minibeasts. From *slithery* snails and *buzzing* bees, to *wiggly* worms and *munching* caterpillars!

Each page introduces a different animal, with a short read-aloud rhyme.

<https://www.youtube.com/watch?v=SW-7MgHEZOE>

	<p><b>Tuesday – Superworm by Julia Donaldson</b>          Superworm is super-long. Superworm is super-strong. Watch him wiggle! See him squirm! Hip, hip, hooray for SUPERWORM! Never fear, Superworm's here! He can fish Beetle out of a well, and rescue Toad from a busy road. But who will come to Superworm's rescue, when he's captured by a wicked Wizard Lizard? Luckily, all of Superworm's insect friends have a cunning plan.  <a href="https://www.youtube.com/watch?v=4pZwNie69n8">https://www.youtube.com/watch?v=4pZwNie69n8</a></p> <p><b>Wednesday – Aaaarrggh Spider! By Lydia Monks.</b>          Spider wants to be a family pet. But the family whose house she lives in are terrified of her! Whenever she tries to show them what a great pet she would make, they just scream, "AAAARRGGHH, SPIDER!"  <a href="https://www.youtube.com/watch?v=vQQD84blj-w">https://www.youtube.com/watch?v=vQQD84blj-w</a></p> <p><b>Thursday – The very quiet cricket by Eric Carle.</b>          The story of a little cricket and his song - with a surprise sound! A little cricket has lost his song - he rubs his wings together and nothing happens. He sets off to find his voice and meets all kinds of creatures who make all kinds of noises.  <a href="https://www.youtube.com/watch?v=GR_VvLciJTM">https://www.youtube.com/watch?v=GR_VvLciJTM</a></p> <p><b>Friday –Norman the slug with the silly shell by Sue Hendra</b>          Norman is a slug who longs to be a snail-if only he could find the perfect shell....  <a href="https://www.youtube.com/watch?v=z4BcBtKHaO8">https://www.youtube.com/watch?v=z4BcBtKHaO8</a></p>
 <p><b>Weekly Challenges</b></p>	<p>Completed the daily home learning? Why not try some of these additional activities below. You can do them on your own, with your siblings or other members of your family. Don't forget to share your creations with us on tapestry. We love to see the things you've been up to.</p>  <ul style="list-style-type: none"> <li>• Create your own spider and web. You will need to cut out a hole in the middle of your paper plate, your grown up will need to help you with that. Next you will need to hole punch some hole around the edge, so you can thread some string to make the web. When you have finished, you can make a spider using a black pipe cleaner.</li> </ul>

- Make some ladybird biscuits.

Ingredients:  
 175g plain flour  
 100g chilled butter  
 85g icing sugar  
 1 tsp vanilla extract  
 1 egg yolk

[www.bbcgoodfood.com/recipes/love-bug-biscuits](http://www.bbcgoodfood.com/recipes/love-bug-biscuits).

- Learn how to grow cress by making a cress caterpillar. First cut the egg box in half. Next cut a caterpillar face from the egg box lid. Paint the whole caterpillar and make a face to stick on when dry. Fill the plant pots with cotton wool. Sprinkle cress seeds into each pot and dampen with a sprinkling of water. Put onto a nice sunny

windowsill and water every day.

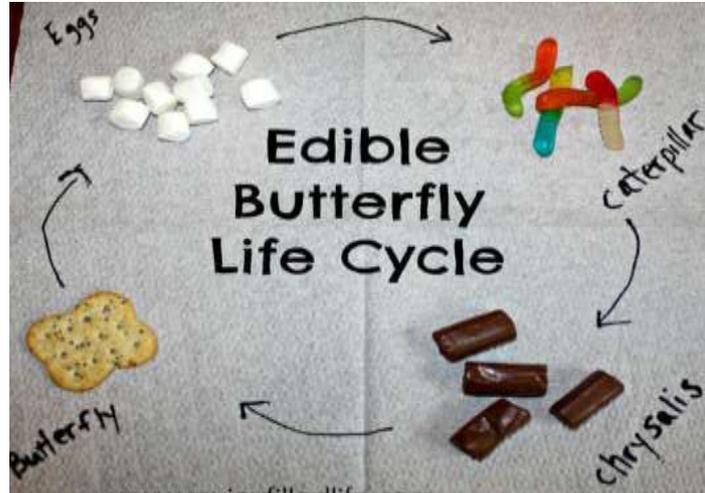

- Build your own bug hotel. Gather some natural materials when you are on your daily walk. Fill your tube with the natural materials. Stack the tubes in a sheltered spot of your garden and wait to see who visits!

- Have ago at making a bumble bee finger puppet. You will need some card, felt tips and glue. Your grown up may need to help you with the cutting.

- Research and find out about the butterfly life cycle. Then create your own edible version, have fun!

We'd love to see your work and the things you're getting up to at home so don't forget to email or tweet us photos. Remember to only include a photo of your child if you're happy for their image to be shared.

You can email your photos to [LCR-Nursery.Support@oasislongcross.org](mailto:LCR-Nursery.Support@oasislongcross.org)
