

Class Newsletter-Year 1

Autumn Term 2

Otter class

Teacher: Miss Warren

LSA: Miss Sedgman

Fox class

Teacher: Mrs Greenman-Sparrow

LSA: Mrs Weeks and Miss Browne

Maths: In maths, we will be learning about numbers to 20. We will be adding and subtracting these numbers. As well as continuing our learning about shapes and patterns.

To help your children please practise counting forwards and backwards in 1s, 2s, 5s and 10s at home. This is something that will really help the children with their calculations.

English: This term we will start by looking at 'Sharing a shell'. We will be learning the story by heart and doing some writing about the story.

To help at home please practise the spellings that we are sending home as these will really help to improve their writing.

Topic: What are homes made of? This term our topic is looking at houses and homes and will be focussing on DT. The children will be designing and creating their own lego and junk model 'dream houses' and learning about different types of homes in UK and around the world. We look forward to showcasing the children's 'dream houses' when they are complete!

PE kit

A reminder that PE kits need to remain in school so that children can take part in the lesson every **Wednesday!**

Twitter

Please follow us on twitter @OlcYear1

Uniform

Please make sure all uniform is labelled with your child's name.

Reading Please read with your children at home **every day** and ask them to answer questions about the story. Understanding what they are reading is just as important as the reading itself!

We will be listening to children read once a week. They will have read the book we are sending home once already but they need to practise this before moving on. Please celebrate every time your child reads to you—praise is key when learning anything new!
