

Class Newsletter-Year 3

Winter Term

Robin class

Teacher: Miss Abbott/Miss Lewsley

LSA: Miss Wallace and Mrs Catron

Dove class

Teachers: Mrs Mack

LSA: Mrs Broddle

Maths: This term we will be learning about length and calculating perimeters. We will then move on to focus on multiplication and division.

It would also be fantastic to see lots more children achieving their times tables certificates from Mr Potter this term. You can really support them by helping them to learn their 2, 5 and 10 times tables and division facts.

English: This term we are learning the legend *Why Bats Sleep in the Day*. We will be learning all about what a legend is and the features that we need to write our own.

We will continue to really focus on spelling and handwriting this term. Please practice spellings with your child at home and ensure they are writing their letters neatly.

Topic: What is the difference between a light, a shadow and a reflection?

This term in Science we are looking forward to learning all about light. We will be learning where light comes from and how it helps us to see objects and colours. We are looking forward to investigating how shadows are formed and finding patterns in how they change.

In DT, we will be investigating the effect light has on different materials and we will be working towards designing and making moving shadow puppets for a shadow puppet performance towards the end of term.

We will also be taking the lead in this year's nativity play. Watch out for more information!

Spellings!

Spellings are tested on Mondays and given out with our homework on Thursdays. The children have really enjoyed our spelling challenge and enjoy making it on to the 'Spelling Superstars' wall! They can achieve bronze, silver or gold stars on the spelling wall and they are really proud when their name is up so please practice the spellings with your child each week.

Please ensure that all clothes are labelled with your child's name. We have lots of lost jumpers and if the name is on, they are usually returned.

PE

PE will be on Tuesday afternoon this term and may be outdoors.. **Please make sure that your child has appropriate shorts, t-shirts and trainers each week.**
