

Class Newsletter-Year 3

Spring Term

Robin class

Teacher: Miss Abbott & Miss Lewsley

LSA: Miss Wallace & Mrs Catron

Dove class

Teachers: Mrs Mack

LSA: Miss Broddle

Maths:

This term we shall be learning about time, including analogue and digital clocks, and fractions.

It would also be fantastic to see lots more children achieving their times tables certificates from Mr Potter this term. You can really support them by helping them to learn their tables at home.

English:

This term we will be learning the story of Stone Age Boy. We will be focusing on teaching speech marks and using paragraphs.

Our class text will be *Stig of the Dump*. We will explore the adventures of Barney and his cave boy friend, Stig!

Topic: How have rocks shapes our planet?

This term we will be learning all about rocks and how they are formed. We will be learning the three main types of rock, how fossils are formed and how soil is made.

In Hstory, we will be learning all about the changes in Britain from the Stone Age through to the Bronze Age. This will be finished off with an exciting trip....more to come about that later in the term!

Keep an eye on our twitter page for updates!

Performances

Thank you for your support with our Christmas performance. We hope you enjoyed it.

This term Robins will be performing their class assembly. Keep your eyes peeled for more information soon!

Please ensure that all clothes are labelled with your child's name. We have lots of lost jumpers and no names to return them!

Swimming and Bristol Sport

We are very lucky this term as we have two PE slots! Tuesday afternoon will be spent with Bristol Rugby and Thursday afternoon we shall be swimming. So please ensure your child comes in with the correct kit for each day, and don't forget a towel!
