Learning Support Assistant:

Terri McGill

Welcome Back!

Welcome back! We hope you all had a fantastic Easter break. We have enjoyed hearing about all of the things that you have got up to with your child.

Key dates

Monday 6th May—Bank Holiday

Friday 24th May—End of term

This term our story focus is 'Little Red Riding Hood'. The children have already entered the classroom and have noticed lots of strange things that have happened! There has been a wig, glasses and a red cape left on the floor and lots of food has gone from our kitchen! The children will soon find out who has been in our classroom, once they have learnt the story.

In the coming weeks, the children will move onto designing their own maps to help little red riding hood get home safely and think of a new ending to the story. A copy of the story will be sent home in due course.

Sun cream

As the weather is beginning to get warm, it is important that your child arrives at Nursery with sun cream on.

Proud Clouds

Thank you to all parents that have already returned proud clouds. It has been great to read what the children have achieved at home so far and share these special moments with the rest of the class.

The children will receive a sticker every time they bring in a proud cloud. Proud clouds will be sent home regularly and left on the notice board for you to take home.

Pink Pig Words

In class, the children have been learning words that are frequently used in books. Please can you work with your child to support them with reading the words. The words are below. It is also encouraged that you support your child with recognising and writing their name. Please come and see a member of staff if you need any support with this.
