

Class Newsletter-Year 1

Term 5

Otter class

Teacher: Miss Warren

LSA: Miss Sheppard

Fox class

Teacher: Mrs Greenman-Sparrow

LSA: Mrs Weeks and Miss Browne

Maths: This term we will be moving on to counting in tens up to 100, adding and subtracting with numbers over 50 and recognising coins and using money. Any practice with pocket money at the shops would be helpful!

It would be really helpful if children could also practise writing their numbers at home the correct way round.

English: This term we will start by looking at the story 'Nadira and the Pirate'. We will really be focussing on using story language and writing our own stories with a start, middle and end.

To help at home please tell the story to each other and ask your child to show you the actions we have learnt.

Topic: Were there pirates in Bristol?

Our first topic of the year is an exciting one – pirates! We will be starting the term with a pirates day learning what pirates do and talking about a day in the life of a pirate to practice our eloquence. We will be learning about materials and if they float or sink by building and testing our own ships as well as creating our own treasure maps to follow. To truly become pirates we will be making eye patches, cutlasses and bandanas!

PE kit

A reminder that PE kits need to remain in school so that children can take part in the lesson every **Wednesday**.

Uniform

Please make sure uniform is worn every day and that it is labelled with your child's name.

Remember to follow us on Twitter to see our exciting learning.

Reading

PLEASE PLEASE PLEASE can you encourage your child to read every day at home and practise their keywords. Children who consistently read will be rewarded in school with treasure tickets and prizes. It has such a huge impact on all areas of their learning. If your child has read their book and is confident, please ask them to change it (they do not need to wait for a teacher).
