

### Butterflies

Teacher: Mrs Jukes and Mrs Smith

Learning Support Assistant: Miss Keeler

### Dragonflies

Teacher: Miss Pang

LSA: Miss Dunn and Mrs Morne

Welcome back after the Easter break. The children have had lots of news to share with us!

This term our topic is based around the story of *'The Very Hungry Caterpillar'*

#### Outside Area.

As the weather gets warmer we would like to be able to maximise the outdoor classroom learning area. To do so we will need your help. We would be grateful if the activities we have set up are not disturbed before school so that your children can enjoy their amazing environment.

Thank you

#### Key dates this term

- Dragon fly class assembly - Thursday 23rd May 9:00am
- End of Term - Friday 24th May
- Bank Holiday— 6th May
- Class trip to Court Farm, Banwell.— Wednesday 26th June.

#### Reading

Please send your child into school with a bag containing their reading book, yellow reading diary and word pack every day. Without a bag we are unable to send home a new book.

We read one-to-one with your child every week. When we read with your child we look in their yellow reading diary to see comments from adults. It really does make a huge difference to their confidence in reading if they are doing so at home! Please make sure you are keeping a record in the yellow reading diary!

#### PE Kits

Please ensure your child has a named PE kit in school. Dragonfly class have PE every **Monday** and Butterfly class have PE every **Tuesday**. As the weather gets warmer we may begin to use the field for some lessons. Please ensure your child has a pair of daps or trainers in their PE bag.

#### Head Lice

Please check your child's hair every day for head lice. Free treatment is available from pharmacies. Head lice causes itching and irritability and can affect your child's behaviour and learning.

Please treat head lice as soon as soon as possible and continue to treat and check your child's hair until all lice and eggs are removed.
