

Class Newsletter- Nursery

Ladybird Class

Teacher: Ally Critchley & Tina Pang

Learning Support Assistant: Kayleigh Slaven & Terri McGill

HLTA: Jayne Kodola

Welcome back!

We would like to warmly welcome you all to Ladybird class. We've loved hearing about all the things you got up to over the summer and getting to know all of our new children.

Please keep checking the board on the door for any upcoming events and notices and if you ever have any questions, please feel free to ask any member of the nursery team and we will do our best to help.

Key Dates

End of term 1 - Friday 25th October
Start of term 2 - Monday 4th November

Inset days - Nursery will be closed.

Friday 11th October
Friday 13th December

This term we will be settling back into nursery and welcoming some new friends. Once we have played some getting to know you games we will be focusing on playing and sharing together while exploring the different parts of our classroom.

Once we all know what is expected of us in Nursery we will start to read The Little Red Hen. We will also be learning all about transport. This will include a look around a real car, counting the different types of transport that go passed nursery and creating our own transport for you to come and see at the end of the term.

Clothes

Please could you make sure every item of clothing is named and your child arrives with clothing appropriate for the weather. We go outside in all weathers so it's important your child has the appropriate clothing.

Please also ensure your child has a spare change of clothes that are also named and a pair of welly boots left in a named bag on their peg.

Tapestry

This year we will be continuing to use tapestry to record your child's learning.

You will be able to continue to view your children's learning through notes, photos and videos using you secure log in.

If you have any questions please speak to a member of the team.

Snack and Allergies

Like last year, each day we will provide the children with a drink of milk or water and a piece of fruit. On occasion we may offer them something different for snack such as toast, cheese and crackers or something we have baked together. Please can you ensure you provide us with up to date information on allergies, medical or religious needs.
