

Class Newsletter-Year 3

Spring Term

Robin class

Teacher: Miss Abbott

LSA: Mrs Warburton & Mrs Stagg

Dove class

Teachers: Mrs Barry & Mrs Newby

LSA: Mrs Warburton

Homework: This term the children's Maths homework is to have a go at Times Table Rockstars and challenge themselves to improve their speed and success! Please speak to your class teacher for further information.

English: This term we will be learning the story of Stone Age Boy.

Please try and read with your child as often as possible, even if just for 5 minutes a day—every little counts!

Spelling: Children have this term's spelling in their homework books. They will need to learn one set a week ready for a test on Mondays. Please speak your teacher for ideas to help to learn these.

How did early settlers change the world?

Our History learning this term is all about the Stone Age and how their discoveries and lifestyle changed history. In Science we will be learning all about rocks and how they are formed and are planning an exciting Fossil Hunt in March. We're visiting St Peter's Church on Tuesday 4th February to explore our local Church. If you think you'd be able to help us during either of these trips, please let us know. It would be very much appreciated!

Reds and Yellows

Now your child is in Key Stage Two, the behaviour policy is slightly different. If your child is given 2 reds in one term, you will be informed with a letter home. If they are given another 2 reds in that same term they will then have to attend a 30 minute after school detention. We're hoping everyone can stay on green this year! Please go to our website for the full policy.

[Follow us on Twitter](#)

Don't forget to keep all those lovely new toys, trinkets and jewellery at home where they're nice and safe!

Swimming

Our PE this term is Swimming (so no need for PE kits). We will swim every Wednesday—huge thanks to those parents who have volunteered to help us safely to and fro the pool!
