Bumblebee Class

Teacher: Ally Lake

Teaching Assistants: Jayne Kodola, Kayleigh Slaven and Terri McGill

Welcome back. It's lovely to see the children back again and welcome to our new starters. We wanted to take this opportunity to thank you for all of your support with all the measures we have in place to keep everyone safe. Although we have to stay distanced we will always make time for you if you ever have any questions or just want to check in about how your little one is doing, please feel free to speak to any member of the nursery team.

This term we will be learning all about growing and reading the story of The Enormous Turnip.

We're going to be planting different types of vegetables in our garden ready to harvest next year. We'll be trying lots of different fruits and vegetables as well and talking about what we like and don't like.

We'll be doing lots of learning around the seasons and what we can see going on around us throughout the year.

Later on in the term we will be getting excited about Christmas and having lots of festive fun!

Clothes

Please could you ensure your child has a spare change of clothes that are named just in case of any little accidents or if they have a little too much fun with our water play!

Please make sure every item of clothing is named including water bottles and bags. With over 50 nursery children it's difficult to keep track of what belongs to who. We also ask that your child arrives with clothing appropriate for the weather. We go outside in all weathers so it's important your child is prepared.

Parent/Carer Consultations

During the first three weeks Ally will be calling each of you to have a short conversation about your child and to let you know how they are getting on now they have settled into Nursery. If there is a specific day you would prefer please let us know.

Key Dates

End of term 2—Friday 18th December

Nursery will be closed on
Friday 20th November
Friday 11th December
for staff training.

Snack and Allergies

Each day we will provide the children with a drink of milk or water and a piece of fruit. On occasion we may offer them something different for snack such as toast, cheese and crackers or something we have baked together. Please can you ensure you provide us with up to date information on allergies, medical or religious needs throughout the year.
