Every day Matters!

Welcome back and we hope you all had a great Easter break. Each class has now started their new topics and this included Year 3 hunting for worms, Year 1 going on a treasure hunt, Year 5 dressing as ancient Greeks, Year 2 making hot air balloons and Year 4 making pool!
We are practising the habit of 'forgiveness' this term.

Attendance

There are only 19 days left in Term 5! What a great start to the term for most classes so thank you for all your support. This means children do not miss learning.

World of Work day

We had a very exciting start to the term with our World of Work day. We had lots of visitors spend the morning at the Academy working with the children and sharing information about their jobs. The children were very inspired and the visitors were extremely impressed with them.

A huge thank you to our Resource Base parents group for a very successful Easter and Autism Awareness fundraiser. With your support they raised a massive £750 towards our Magic Carpet!

Please can we remind you not to stop or park on the pavements or zigzag lines outside of the Academy at drop off or pick up time. This is to keep all children safe.

Events this term

- 6/5/19 - Academy closed for Bank Holiday
- 8/5/19 9am Y3 family picnic
- 13/5/19 - 17/5/19 Y6 SATs week

The Government expects that every child's attendance needs to be at least 96% for it to be considered 'good' attendance. If your child's attendance falls below this you are at risk of a fine or prosecution. Here is last weeks attendance by class:
