Every day Matters!

Newsletter: 03.02.2020

Last week we really enjoyed working with Andy and the team from St Peters Church. They came and transformed our library into a prayer and reflection space.

We took part in lots of different relaxing activities that supported us to think about our 9 Habits and reflect on our thoughts and feelings.

## Attendance

There are only **9 days** in **Term 3!** Please support your child to come to school every day. We have some very exciting opportunities for the children and the classes with the best attendance this term.
