Oasis academy Long Cross

Newsletter: 13.07.2020

We had such a great week last week. The Academy started to feel like a school again as we welcomed back children from every year group to come and spend some time in school. There was a lot of laughter and chatting and the children had an opportunity to see and take part in some of the safety measures we have in place that will continue in September. Thank you for your on going support and it was really great to see you all. Have a great summer!

Summer communication

We are currently working hard to put together the plans for all children and staff to return safely in September.
