We had a great week at the Academy last week. Our music teachers, Preludes, started back and the Reception children had their first music lessons. They loved learning new songs and learning to play some drums together. We also worked with our sports coaches Sam and Kevin to develop our physical skills. Thank you to all those parents and carers who attended the online safety workshops. If you missed them and would like support please let the Academy office know.

Book fair and cake sale

We are lucky to have the book fair visiting us this week. Please come and join us after school in the hall on Tuesday, Wednesday and Thursday to see what books we have on sale.

On Thursday the class parents will also be holding a bake sale in the hall after school so come and join us for a cake and to explore the books on offer!

Attendance

H.E.R.O.s!

If your child misses more than **2 days** of school by Christmas then their attendance will be below 97% which means their achievement will be at risk.

Make sure your child is **Here Everyday and Ready On time** to make the most of their education and enjoy all the exciting things going on!

Parent group update

Following the amazing success of last years fundraising for the magic carpet, this year our parent groups have made the exciting decision to support the Academy in raising money towards purchasing our own minibus. This will enable us to take children on more educational visits and experiences. Look out for the events they have planned this year! All money raised will go towards our minibus appeal. We would love more parents/carers to get involved in planning and organising the events. Please get in touch with the Academy office if you would like to get involved.
