Welcome back everybody! We've had such a great start to the new academic year with so many exciting things already going on all around the academy. With so many brilliant learning experiences planned every day for your child we are keener than ever to make sure they are in every day, on time, so that they don't miss out.

The Romans have arrived in Year 4! What is the enquiry in your child's class this term?

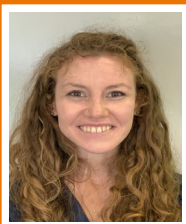

Every class has been celebrating their attendance with a new superhero display. Well done to those children who were in every day last week and to Woodpeckers class who won our first new attendance prize. I wonder which class will win the most improved attendance prize next week?

Your child's attendance in school is very important. Every day missed means they have to catch up or they drop behind. Your child needs to be in every day and on time. Please let us know if you are struggling for any reason and we will do our best to support you where possible but it is your responsibility to get your children to school!

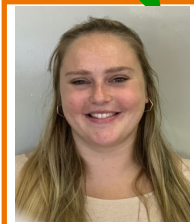

A big welcome to our new teaching staff!
