Move up morning

Last Wednesday we had a very successful move up morning. Everyone from Nursery to Year 5 spent two hours in their new classroom and everyone spent time with some of the adults that they will be working with. There was so much fun and excitement and all of the children looked at home in their new classrooms. It was great preparation for September,

Change makers

Some of the children across the Academy worked with Aisling and Sadie from the Hub last week as part of our Environmental Change Makers project. They did an amazing job

planting flowers on the Academy site as part of Lawrence Weston in Bloom. This group of Change Makers have been tasked with identifying projects that will improve our Academy environment

A few more goodbyes!
