Family Events

This term, as well as working hard to catch up on missed learning, we will be getting ready to move into our new year groups. You will all be finding out about which class your child will be in when we return in September and who their teacher will be.

We have to do all of this safely and keep many of our Covid restrictions in place so any plans we make are subject to change depending on Government restrictions and Covid cases in the community.

Look out for an invite from your child to come and join their class for an end of year celebration, join in with some fun activities, meet their next teacher and collect their end of year report. Events will be outside unless it rains. The events will be held from 5th - 16th July.

Attendance

We are now in the final term of the year and it is important that children are in school

- every day and on time. This term we will be working hard with every child to fill gaps in learning and ensure that they are ready for their move into their next year group. Any time missed will impact on the progress your child makes. Please remember that no holidays can be authorised during term time and could result in a penalty notice.

Schools Diversity Week

As part of Pride month this June we will be taking part in Schools Diversity week from 21st - 25th June. Throughout this week we will be acknowledging and celebrating different types of families. We will explore a range of stories and creative activities throughout the week

INSET days 2021 - 2022
