This is the best Monday we have had in ages! It is so amazing to have everyone back together as we have missed you all so much.

Now everyone is back to school please ensure that your child brings their school iPad with them fully charged everyday. They will need their iPad to access their learning throughout the day and we do not have spare devices.

Wednesday 21st July 2021 - break up for summer!

Lets get reading!

This week Y1 to Y6 are continuing to share our World Book Day book Grandad's Secret Giant. We are going to be using this to practice all the skills we learned whilst we have been learning at home.

It is really important that we keep practising our reading so that we can keep getting better at it. If we can all read well then it means we have more access to other curriculum areas. All children from Y2 to Y6 will be starting Accelerated Reader this week where they will be reading great books and taking quizzes using their iPads to keep improving their reading.

Don't forget the 200 million minutes competition - how many minutes can you read for on MyOn towards this?

Red Nose Day

We will be celebrating Red Nose Day on **Friday 19th March**. The theme will be superheros (fictional and real life) and our super powers.

Children can wear non-uniform or a superhero costume on this day with a 50p donation. They will be taking part in lots of activities such as a red nose day quiz, super power challenge and a Red Nose Day themed assembly.

Please ensure your child is still dressed safely for school and will be warm.

Oasis Minutes Moving Challenge

Oasis are running a 'Minutes Moving' initiative over the next four weeks to get children and adults involved in physical activity now we have returned to school.

We will all be taking part in lots of activities and submitting our results to the Oasis National Team and hoping to win lots of certificates. Each week there will be a different national competition:

Week 1 - What is longest plank you can do?

Week 2 - How many sit ups can you do in 1 minute?

Week 3 - How many squats can you do all week?

Week 4 - How many star jumps can you do in 1 minute?

Lets see how much we can move in March!
