Mental Health Awareness week

This week is Mental Health Awareness week and the theme is nature. This has been chosen as research shows that nature has powerful benefits for our mental health. This week try out these three things:

Experience nature - Take a moment to notice and celebrate nature in your daily life

Share nature - Take a photo, video or sound recording and share the connections you've made during the week, to inspire others.

Talk about nature - how you can help encourage people to find new ways to connect with nature in your local environment.

It's competition time!

This week, Miss Lewsley is running an attendance competition to see which class (or classes) can achieve 100% attendance. Make sure your child's class is in with a chance by making sure they are in school, on time every day this week.

We only have 15 days left of this term so let's make the most of them!

End of year family events

If the relaxation of Government restrictions allow, each class will be holding end of year family events. These will be an opportunity to celebrate everything we have achieved together this year, to collect your child's end of year report and wherever possible, to meet their new teacher. These will be held between 5th and 16th July and you will receive your invites soon!

Covid update

If your child is unwell please seek a Covid test and remember to keep siblings at home until you receive the result. Please report any positive Covid test results immediately to **LCR-covid.alert@oasislongcross.org** so that we can act quickly.
