Every day Matters!

Don't forget we have an **INSET day coming up - Friday 16th Oct - Academy closed to all children**

Attendance

We only have **9 days** left of this term. So far we have seen the children make amazing progress because they have been here every day on time. Thank you so much for your support

★ Well done **Doves** for best attendance last week!

★ Well done **Kestrels** for the most improved attendance last week!

We are starting to explore holding virtual assemblies! We are hoping to bring back our celebration assemblies with the children again soon so that we can share all the amazing learning that is happening

Last week we launched our My Child At School (MCAS) communication app. The sign up code was emailed to everyone so please don't forget to sign up as soon as possible to ensure you don't miss any important information. This is how you will receive messages and updates from us as well as being able to pay for school dinners and any future educational visits etc... If you need any support to access the app please email or call the Academy office.

Last Friday we filled the academy with sunshine by wearing yellow as part of our #HelloYellow for World Mental Health day. We started to understand more about what our mental health is, how it might feel if we do not feel ok and what we can do to make ourselves and each other feel better. We are so proud of everyone at Long Cross for showing such care and consideration for each other.

Myon reading challenge

We are excited to launch our Myon reading challenge that will run from Monday 12th - Friday 23rd October. The year group which records the greatest number of hours spent reading will be crowned the reading champions of Term 1 and will earn a mystery prize!

Join us online for our Harvest Messy Church on Saturday 17th October. We shall be going live on our YouTube channel at 9am with some short videos of fun, craft and prayer. To access our YouTube channel search AVM&LVV Church on youtube.com

COMPETITION TIME!

9 Habits Enterprise Design

In Class project for Years R-6 at Oasis Long Cross and Bank Leaze

Design a picture and sentence to describe one of our 9 habits.

Winning designs will be chosen and then printed onto a variety of products for sale.

Winners can select a product of their choice with their winning design!
