Newsletter: 21.09.2020

We are really excited to be exploring the Oasis Horizons project that we told you about last week. As part of this project every child from Reception to Year 6 will have access to an iPad to use to support their learning.

Whilst we are waiting for the training required and the equipment to arrive we are starting to work with the children to ensure that they can login and access teaching sessions and recordings.

Every day Matters!

Term dates:

Term 1 -

1/09/2020 - 23/10/2020

INSET - Friday 16th Oct - Academy closed to all children

Term 2 -

02/11/2020 - 18/12/2020

INSET - Friday 20th Nov

INSET - Friday 11th Dec

Please remember that we are not able to authorise holidays in term. If you take your child out of school for this it will result in a penalty notice.

Last week at the Academy

What a busy week at the Academy. We welcomed our new Reception, Nursery and Resource Base children in and some of them stayed for lunch for the first time. They have had a very calm and settled week and have made a great start!

Children have started their enquiry learning and there is already a lot of excitement about what they are finding out. Year 4 were learning about Roman invasions and Year 6 have compared what life was like if you were rich or poor in Egyptian times. We have seen some phenomenal writing and had some powerful discussions!

Health and Safety Executive spot check

Last week we were part of the Governments spot checks carried out by the Health and Safety Executive. As part of this they carried out a thorough check on the measures we have in place to reduce the risk of COVID. The outcome of this check was that they were very impressed with the measures we have taken and stated that we have gone above and beyond the Government requirements.

Please keep checking your emails for all key communication

from the Academy. If, at any point, we are advised to send home any classes or year groups you will be informed of this via email. If your child has to go home as a result of closure we will ask you to collect them from the gates on the playground. Your child will be brought out to you.

Due to current restrictions we have to reduce the amount of items passed between children. This unfortunately means that we are unable to hand out birthday treats that children bring in and they will have to be sent home again. We will celebrate your child's birthday with their class in other ways

Start and finish times

We will continue with the current arrangements for start and end of the day.
Please remember we will not open the gate before **8:45am** for anyone other than Y6 so please do not arrive early

Hello

I'm Sadie, the Community Engagement worker!

I'm looking to get parents involved with some new projects around the school!

If you see me come and say hi and ask me about it, or drop me a text if you're interested
