I cannot believe that we are in the last week of the term already! It has been such a busy term and we have watched the children make huge progress especially in their reading.

They have told us that they are really enjoying using the Accelerated Reader programme that we have introduced. They are enjoying the books and the regular quizzes that they take. Thank you for all of your support in maintaining our measures to keep us Covid safe. This has supported us to keep everyone safe and keep all bubbles open this term. Have a great half term break and we look forward to an even better Term 6!

Despite the weather we had such a great sports week last week. Children across the Academy developed new sporting skills and worked hard learning about what it takes to be a successful sports person.

The children in our Resource Base loved the street dance session they took part in and worked hard with the sports coach during a cricket session.

Children across the Academy learned new skills taking part athletics and javelin with our visiting sports coaches. Most year groups also managed to hold their own sports day with a range of traditional activities such as egg and spoon race, weaving a ball between cones and a 100m sprint. Any year groups who couldn't do theirs due to weather, will try and hold theirs this week.

We are so proud of the sportsmanship that we saw throughout the Academy!
