Welcome back! We hope that you managed to have a nice break and that you are ready for the busy term ahead. As you are aware we are now facing another increase in the cases of Covid-19 throughout the country. Bristol cases are currently around double the National average and it is crucial that we work together to make everything as safe as possible at the Academy. We are expecting to hear more from Public Health England South West this week and may be required to bring back some Covid measures such as mask wearing for adults and reducing mixing. We will be in touch with more information if needed.

Christmas events 2021

This year we are really hoping to be able to hold live Christmas events for children and families. To make them as safe as possible we are going to have outdoor carol concerts by Christmas lights. These events will obviously be weather dependant and we will have a back up date just in case.

We will be grouping year groups each year group will have invite their parents/carers to one performance.

Look our for more information and dates that will be sent out as soon as possible.
