Every day Matters!

Thank you all so much for your support in getting children to school last week. We saw a huge improvement in attendance, especially in Year 2 where both classes had over 98% attendance for the week. Let's see if we can keep it up for the last 10 days!

Parent consultations

Our next parent evenings will be held in person on

Tues 1st March and Thurs 3rd March

To keep contact minimal teachers will be based in downstairs classrooms and the hall, 1 year group per classroom. **Please only arrive at your time as we do not have anywhere for you to wait inside**

Parents
Evening

Please use the link that was sent via text to book your appointment.

Internet Safety Day

The theme of this year's Internet Safety Day is 'Exploring Respect and Relationships Online'.

As part of this we will be thinking about what respect is, why it is important and how we show this when we are online. We will be looking at some examples of messages and conversations had online and the impact these can have. If you, as parents, want to find out more about an app or game your child is playing or talking about you can visit websites such as Common Sense Media and The Family Gaming Database for more information.

Key dates

7th to 11th Feb - Children's Mental Health week

Tues 8th Feb - Safer Internet day

W.b. 14th Feb - Attendance golden ticket reward

Fri 18th Feb - last day of Term

Mon 28th Feb - first day of Term 4 - all children to return

Thurs 24th and Fri 25th March - Y6 residential trip to London

Covid update

We continue to have multiple positive cases reported across the Academy. If your child is under the weather please consider doing a Lateral Flow Test before sending them to school.

Although the Government have relaxed restrictions around face-masks, adults in the Academy will continue to wear them whilst cases continue to be reported.

COVID-19
Update

Children's Mental Health Week

This week is children's mental health week and this year's theme is 'Growing Together'. We will be thinking about how we grow and change physically and emotionally.

As parents you are an important role model for your child. Your child does not need you to be perfect - in fact seeing you make some mistakes can be really useful! What is important is that you are able to show them that you - and they - can continue to develop and grow even when things are hard. In fact this is when we often learn and grow the most.

For practical tips on supporting your child's wellbeing you could visit <https://parentingsmart.place2be.org.uk/>
