What an amazing start to the term we had last week! Each class started their new Enquiry and launched their new question with a stimulus day. It was great to see so many 'superheroes' in Reception on Wednesday ... they had a very exciting day!

We also launched a new reading challenge for Y3—Y6 that has got children very excited! Each time a child in any of these year groups score 100% in a quiz on Accelerated Reader they get to add a leaf to the reading tree. At the end of term the class with the most leaves on the tree will have a golden tea party.
