We had amazing weather last week which meant we were able to spend more time outside and even managed to use the field at lunch time! We are hoping this continues into the next few weeks ... only 9 school days left until the 2 week break!

Autism Acceptance week

This week we will be taking part in Autism Acceptance week. We will be learning about what autism is, how it makes people special and how we can embrace and celebrate our unique selves. We are inviting everyone to wear a brightly coloured top with their school clothes on **Friday 1st April** as part of our week. There is no donation required for this.

This week

We have got so many exciting things happening at the Academy this week. As it is the penultimate week of the term each year group will spend their afternoons focusing on their art, design technology and music projects. We will also be taking part in our careers morning today where the children learn about, and practice, skills that will help them be successful.

Key dates

30th March - Y3 fossil hunting educational visit

28th March to 1st April - Autism Acceptance week

28th March to 8th April - Easter family events - look out for further information

6th April - Y6 and Y3 visit to church for Easter service

8th April - Last day of term for all children

25th April - First day of term 5 for all children

Y6 London visit

Last week Y6 went on their residential visit to London. Not only did they have beautiful weather but they were impeccably behaved and excellent representatives of our Academy. Whilst they were there they went on the London Eye, visited the Natural History Museum and had front row seats in the West End theatre where they watched Matilda! Well done Y6 we are so proud of you.

This term's attendance reward will be for ALL children...we are hoping that this incredible mobile climbing wall will be arriving to our field in the last week of term...!!

However, we need to pay for it using Golden Tickets and we're still 20 short!

Will we be able to earn 20 more across the school in time!? How many will your class be able to earn...!?

Be in to
Win!

Attendance reward

We shared this with the children last week! We are going to work together this week to see if everyone can win a visit to the climbing wall.
