### Staff changes

This term we are saying goodbye to Mrs Upton. Mrs Upton will still be at Long Cross but she is going to Cherry Trees. Mrs Upton has been a fabulous addition to the Reception team and I am sure you will join us in celebrating her move to Cherry Trees. Thank you for all your amazing help, Mrs Upton!

We will let you all know when our new member of staff joins our lovely Reception team.

### Maths

This term the children be focusing and developing a deeper understanding of numbers to 10.

**To help at home: please help your child counting to 30, counting backwards from 20 and addition and subtraction within 10.**

### Literacy

This term our class text is 'Here We Are' by Oliver Jeffers. The children will begin to understand what a capital letter, full stop and finger space is.

**To help at home: practise writing sentences using known sounds. The children have been drawing story maps, so why not ask them to draw you their own story map.**

### Reading

Please make sure you read with your child every night for at least 5 minutes. Ask your child questions about the text and support them with answering the questions.

### Water bottles

Please ensure your child brings a water bottle everyday with water only. Many thanks.

### Communication

We will always make time to talk, but if this is not possible please use our year group email address:

LCR.Reception.Support@oasislongcross.org

### Illness

If your child has vomited or had diarrhoea, you must keep them off school for 24 hours if they had **one** episode.

If they have **more than one** episode you must keep your child off for 48 hours.

It is important we keep everyone safe and well.

Thank you for your continued support,

The Reception Team.
